

Vodič za usmeni ispit (razgovor o ličnim sportskim iskustvima)

U produžetku su date opšte teme o kojima ćemo razgovarati na usmenom ispitu. Svaku temu prate primeri rečenica kojima biste mogli da započnete priču o datoј temi ili da odgovorite na pitanje uz dodavanje sporta ili konteksta koji se odnosi na vas. Ove teme i primeri treba da vam posluže isključivo kao idejni okvir za priču o vama i vašem bavljenju sportom (ili sportovima). Teme i ideje možete da kombinujete, jer je sve manje-više usko povezano. Za ispit je najkorisnije da pogledate teme i da na osnovu dath primera razmislite šta bite sve mogli da kažete o sebi kroz bavljenje sportom. Što više detalja možete da iznesete, utoliko bolje. Naravno, nastavni materijali s predavanja i vežbi su tu da vam pomognu oko termina. Razgovor na ispitu je neformalnog tipa, gde ćete često biti prekidani dodatnim pitanjima i potpitanjima, jer je važno da pokažete da ste razumeli sagovornika, pa uzmite i to u obzir kada konceptualizujete svoj ispitni „intervju“.
