DŽUDO

Deo reči “**Džu**” označava fleksibilnost tehnike (blagost, popuštanje).

Deo sloga “**do**” znači put i označava primenu principa “Džu” u izvođenju tehnike, ne samo u fizičkoj aktivnosti, već i u mentalnom stavu u odnosu na okolinu.

Džudo je osmišljen tako da istakne spoj finih tehnika džudžicu kroz naglašen oblik mentalnog treninga, kao njegovog pokretačkog dela. Kao sistem psihofizičkog vaspitanja džudo ima za cilj da dovede čoveka putem svojih vežbi i metoda u stanje potpune emocionalne, psihičke i fizičke stabilnosti i zrelosti.

NASTANAK I RAZVOJ MODERNOG DŽUDO-A

Osnivač modernog džudoa je **Dr Dzigoro Kano**.

Rođen je 28. oktobra 1860. godine u gradu Mikage, regija Hjogo. Dr Džigoro Kano nikada nije posmatrao borilačke veštine kao način prikazivanja fizičke snage ili superiornosti. Kao pacifist, proučavao ih je kako bi živeo u miru sa svim živim bićima.

Celebrating World Judo Day in Spain (Granada)

Thanks to idea of prof Raquel Escobar from the Faculty of Sport and Physical Education in Granada, we organize an event to celebrate World Judo Day in Granada. Participants were two clubs from two countries, Judo Club Kinezis (Nis, Serbia) and Judo Club Chinchilla (Granada, Spain). We gather in Judo Club Chinchilla to promote RESPECT and the unique judo values. In the first part of the event we organize Mondo with the kids, to tell them story about judo, and the founder of judo, Dr. Jigoro Kano. We were also talking about word RESPECT, and about the meaning of that word. The conclusion is made that we are all part of the big judo family, and that we must respect every judoka like a part of our family. We must share our values with the community and try to follow the "Gentle way" in order to be better persons. In the second part of the event we organize joint/open training. Guest coach from Judo Club Kinezis (Serbia) was explaining techniques, and everybody understood him because he was talking on the universal language of judo. Parents and friends were invited to come and see the training. Media representatives were also included because local newspaper came and wrote a report about our celebration. At the end of the session we promise each other to meet again next year and celebrate next World Judo Day in Serbia.
